## Multisport™ Kayak Kit

**Description** Kayak option fits all Multisport™ models. Converts the Multisport™ into a comfortable, stable, sit-on-top kayak. Includes folding padded seat with mesh storage compartment that's perfect for a beverage, lunch, or light jacket. Aluminum shaft paddle ends clip into the top section of the Multisport™ mast with convenient spring pins.

Designed specifically for the Multisport™ (all models), this deluxe padded travel bag has padded dividers and webbing straps to keep everything right where you put it. Several extra pockets offer ideal storage for mastbase, pump, and personal items. Heavy duty luggage wheels make transport “a breeze.”

## Multisport™ Kayak Kit Feature

### Kayak

With the optional Kayak Kit the Multisport can be a safe, stable kayak or tender.
