Marine VHF Radios

MR HH600 FLT GPS BT

The CobraMarine® MR HH600 VHF radio with GPS & DSC is Cobra's first handheld radio that shows your GPS coordinates and automatically transmits them with DSC calls to notify the Coast Guard or other vessels of your exact position in case of emergency.

This life saving radio also features a floating orange core so it's easy to see in water and has a built-in flashlight and emergency strobe. Lastly, the MR HH600 keeps your cell phone safe and dry, and allows boaters to place/receive phone calls through the radio.

FEATURES:

Built-In GPS Receiver shows GPS coordinates on screen and automatically sends GPS location with DSC calls.

DSC (Digital Selective Calling) allows you to send a distress signal at the touch of a button or exchange position information with other boats or stations.

Rewind-Say-Again® Replay missed VHF calls.

Make and receive phone calls using Bluetooth® Wireless Technology, keeping your cell phone safe and dry. Now includes voice dialing and Caller ID.

Never lose your radio. Floating design and orange core makes retrieving radio easy if dropped overboard.

Dedicated MOB (Man Over Board) key marks and memorizes position information if a crew member falls overboard.

Select between 1, 3 and 6 Watts for short and long range communication.

U.S.A., Canada & International Channels allows operation on any of the three different channel maps established for these areas. Includes the latest 4 digit channels.

Instant access to NOAA All Hazards and weather information, 24 hours a day.

Weather Alerts with an audible tone and visual alarm if threatening weather is nearby.

BURP vibrates water out of the speaker grill and improves speaker performance.

Rated Submersible. Meets JIS8 (IPX8) standards; submerible for 30 minutes in one meter deep water.

Unlimited Memory Channels allows programming of unlimited channels for easy retrieval or scanning.

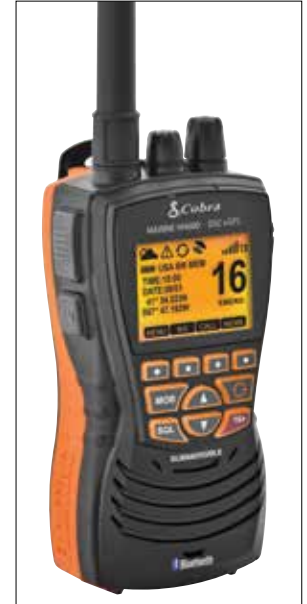

Tri-Watch Monitors three (3) channels at once - channel 16 and two user selected channels.

Memory Scan - Scan channels programmed in memory to find conversations in progress.

Battery With Charge Contacts allows charging of batteries in unit.

Illuminated Function Keys allows high visibility of function keys.

3 Year Warranty (on radio) For products sold in the U.S.A.
